Article (7)

- a. The Commission shall conduct any inspections necessary to implement the provisions of Articles (4) and (6) of these Regulations. If this is not possible, the Commission may assign any of its accredited classification societies to conduct such inspection and issue their own certificates according to the type, size and navigation areas of the ship in accordance with technical requirements stipulated in the international codes and conventions.
- b. If the need arises for the Commission to assign any person to conduct the inspection or verification to issue any of the certificates mentioned in Articles (4) and (6) of these Regulations then the costs of travel, accommodation and daily wages shall be added to the amount of fees specified in Articles (4) and (6) of these Regulations as the case may be.
- c. In the event of the arrest of a ship flying the Jordanian flag more than once in one year, the Commission shall inspect it and conduct a detailed check-up, provided that the management company or the shipowner bears the inspection fees in addition to the travel and accommodation expenses of the Commission's inspectors.
- d. If a ship submitted an exemption request from some technical requirements and the issuance of this request required conducting an inspection on the ship, the management company or the shipowner shall bear the expenses of the travel and accommodation of the Commission's inspectors. The exemption certificate shall be canceled once the reason for issuing it has expired.

Article (8)

- a. The Commission shall collect the following fees from the employees of Maritime Transport:

Fees Type	Amount of fees in JD
1. Issuing a certificate of competency for a marine officer or engineer	50

3. The annual inspection of flag State control on Jordanian ships with total tonnage less than 500 tons	150
4. Re-inspection to remedy the remarks on Jordanian ships	100

Article (11)

The Commission shall, for the berthing of non-Jordanian ships in Jordanian territorial waters from eight to thirty days, charge a fee of 50 JD for each day. However, if the period exceeds thirty days, the Commission shall charge a fee of two hundred and fifty dinars per day.

Article (12)

The Commission shall collect a supervision and follow-up fee for salvage or rescue operations of ships engaged by Jordanian ships, tugboats or boats at a rate of (5%) of the total amount of the rescue reward due to the rescuer or the medic. The Commission shall collect the same percentage in case of participation of foreign ships, tugboats or boats provided that the salvage or rescue operation is carried out in the Jordanian territorial waters.

Article (13)

The amount of any fee stated in these Regulations shall be doubled if the person who incurred any of the fees prescribed thereunder fails to pay it to the Commission within ninety days from the date of entitlement.

Article (14)

Fees related to the registration, issuance of marine licenses, transfer of ownership, mortgage, safety of navigation and entering into the territorial waters shall not be collected for ships, small ships and boats owned by the royal family and the government departments.

Article (15)

The Commission shall, from the date of entry into Jordanian territorial waters for any purpose, charge a marine safety fee of thirty (30) fils for each ton of the existing registered cargo or the total tonnage of the ship, whichever is more.

Article (16)

The Commission shall, from the date of entry into Jordanian territorial waters for any purpose, charge an entry fee of thirty (30) fils for each ton of the existing registered cargo or the total tonnage of the ship, whichever is more.

Article (17)

The Commission shall collect an entry fee and a marine safety of navigation for foreign boats which, for any purpose, harbor the territorial waters of equals to JD (100) for each boat.

Article (18)

- a. The Commission shall collect a fee of JD (500) for the approval of the security assessment of a port facility.
- b. The Commission shall collect a fee of (750) JD for the approval of the security plan of a port facility.

Article (19)

The Board shall, upon the recommendation of the Director, issue the necessary instructions to implement the provisions of these regulations.

Article (20)

- a. The ship registration system at the port of Aqaba No. (39) for the year 1972 and its amendments shall be annulled.
- b. None of the provisions of any other regulation shall be operative to the extent that those provisions are in contradiction with the provisions of these Regulations.
